

The Sentry™ Retractable Captured Edge Screen

Guarding You Against The Elements & Insects

The Sentry™ gives you the ability to control your living space. No matter if you are covering your windows, doors, patio or lanai, The Sentry™ is your solution. Even for your garage.

Sunesta®
AWNINGS & OUTDOOR COMFORT

The Sentry™ Retractable Captured Edge Screen

Providing Outdoor Comfort

The Sentry™ can be customized to fit your unique space with widths up to 26 feet and heights up to 16 feet. The Sentry™ is one system that has many uses. Choosing the fabric for your Sentry screen will allow you to customize your protection. Choose bug screen for insect protection, solar mesh for sun protection, opaque fabrics for privacy or room brightness control, or clear vinyl windows for rain and cold protection without losing your view. The Sentry™ has an exclusive fabric retention system that ensures your retractable screen will operate in any weather condition, as well as blocking the wind, and keeping unwanted pests out.

Almost every **shade** of color imaginable.

Guarding You Against The Elements

For Insects

Keep insects out without giving up your view or airflow. Retract the screen and let mother nature in.

For Shade

Choose a solar mesh to block the sun, keep your view, control the wind, and reduce the temperature by 15 degrees.

For Weather

Raining? Cold? Choose a clear window for your Sentry Screen and enjoy your outdoor space all year round.

Features & Specifications

The Sentry's™ exclusive rail design features a floating track that seals to keep pests and the elements out while flexing to prevent binding under wind load.

The removable rail cover allows access for maintenance without the hassle of disassembling or dismantling the entire unit.

Small:

Sizes up to 10' wide and 8' drop

Medium:

Sizes up to 18' wide and 12' drop

Large:

Sizes up to 26' wide and 16' drop

Wireless remote controls and powered motor.

Continuous loop zipper. This prevents broken teeth which can cause binding in the operation.

3/4" weatherproof brush for a perfect seal

Removable front cover allows direct access to motor and roller tube for simplified maintenance.
